POWERED BY PEOPLE

Dear Tim,

First, I hope you and your family are OK and that you have electricity, water, food and heat.

I am getting in touch on the chance that you are able to help us reach out to Texans who might need assistance in the wake of this winter storm and the series of power blackouts that have left so many in a desperate situation.

We are activating all of our Powered by People volunteers to make phone calls into affected Texas communities to connect people with necessary services. We will give you a quick training, help you with an easy-to-follow script, and allow you to help right away.

Upcoming events:
